

Lancaster Kernza® and Silvopasture Field Day

October 5 2018 - 9:45am to 1pm

Program includes:

- **Perennial grain Kernza for dual-use: grazing steers in the fall to maximize production of this new perennial, dual-purpose crop.**
- **Animal welfare and environmental and forage impacts of silvopasture.**

The field day will take place at the **Lancaster Agricultural Research Station**, 7396 State Hwy 35/81, Lancaster, WI

A light lunch will be provided to participants who register before October 1. To register call 608-723-2580 or sign up on-line at <https://go.wisc.edu/0w8g3v>.
